Pursuant to our Declaration of Restrictions Article VI, Section 1:

"No building, fence, wall or other structure shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, material, and location of the same shall have been submitted to and approved in writing...."

Thus, to be in compliance with this requirement, I would like to make the addition/change to my property described in detail below. I have also attached a drawing/map further detailing my request:

I understand that I MUST submit this request at least 30 days in advance of the intended start date. I understand that if I do not receive a written approval within 30 days of submission, that my request would be considered approved. I can be reached at the following number should the Committee have any questions _____.

Very truly yours,

Homeowner is responsible for compliance with any applicable ordinances, permit or set back requirements
